The screenshot shows a chat interface in UClone Studio. The chat history includes a message from Kenny Lim about scheduling a meeting and a response from Steve asking for the schedule tomorrow. Kenny Lim responds with a detailed schedule for Thursday, June 12, 2025.

Kenny Lim @UClone UClone

scheduled a meeting with you for 4:00 PM. Did you mean to schedule another meeting?

By the way, if you need to contact the real Kenny Lim, you can reach him at kennylin@uclone.net. I'm also a software engineer and architect here at UClone. We're really focused on building robust and scalable Multi-Agent Systems, and I'm diving into the intricacies of designing those systems.

Steve 8:16 PM
